More split rail fencing has been added. Still looking for more rails.

Thanks to the help of volunteers Jim and Joyce Edwards, Karen Stadler, Rosemary Bocek, Marti Franklin, Mary Dumond, John Austin, Katie Baese, Barbara Stewart, Al and Judy Horton, and Dick and Margaret Waters, the village has again been decorated and beautifully lit for the holidays. More lights and decorations have been added this year. Two local women's groups, the Corunna Woman's Club and Owosso's American Association of University Women, decorated the Webster Davis-Kribs home and the Spencer-Gould-Storrer home respectively.

A special thank you to J. P. Kulhanek and Sons for use of their high boy lift which enabled us to put lights up on the 15 large pine trees by Mt. McCurdy as well as being able to do maintenance on the windmill.
