DATE REQUESTED FOR BURNING TO START _____

Burn permits may take a few days to issue.

Burning time is from 8:00 am to 8:00 pm and must be attended at all times.

Burn pile must be able to be controlled, large burn piles should and will be controllable at all times.

Brush, lawn clippings, leaves, are the only thing that a burn permit is written for.

Small piles of brush, leaves, lawn clippings, do not always need a burn permit.

Campfires are to follow the township, City of Corunna, and or state guidelines.

All open burning must follow all city, township, and or state ordinances or regulations.

Burning in burn barrels must have some type of spark arrester on the top with no more than $\frac{3}{4}$ inch hole in it. Trash is not to be burned at any time.

Trash or garbage must be taken to the proper place, such as a landfill.

No building material, household furniture or any thing that may create a nuisance fire, should be put out immediately, if a complaint has been made to the fire department or to the sheriff's department.

Thank you,
